Gate Times

Site holders arriving before 1:00pm on Friday 1st February will be directed to the Southern Car park in Harvey Road. They will be admitted at 1:00pm via Gate 8.

The Main Gate (Gate 1) will then be opened at 1.30pm Friday and remain open for the duration of the Swap.

Site holders will be able to camp on their sites on Friday and Saturday nights, however the Founders and Berghofer pavilions, as well as the Model Market will be locked.

Gate 2 will be opened at 5:00am Saturday for display vehicles only.

Turnstiles will open for general public admission at 6:00am on Saturday and Sunday mornings. All site holders should be on their sites at this time.

Parking

There are two large external car parks where patrons can park at no charge. Swap entry for the public is through turnstile buildings only. Trucks and trailers cannot be parked on the track around the Main Arena. Alternate parking is available away from the Swap area.

Model Market

The Model Market caters for people who wish to buy, sell or swap model cars and toys. It is located in the Glenvale Room which overlooks the Main Arena.

Buy & sell

A noticeboard will be available at Grand Central for special items wanted or for sale.

Conditions of Entry

D.D.V.V.M.C. reserves the right to evict anyone for any reason, especially failure to follow the conditions listed below:

- Alcohol - The Show Society operates a number of bars and alcohol can only be consumed legally within the confines of these areas. In the evenings, a swap camp site is deemed to be a person's residence and a site holder is able to drink once the site has closed to the public. Police on duty during the Swap meet can prosecute anyone drinking alcohol in public during trading hours.
- All vehicles must be parked within the boundaries of swap site/s. Vehicles parked on designated roadways will be removed and the owner evicted.
- Dogs are not allowed inside the showgrounds complex and will be ejected.
- **Vehicles & bicycles are not to be ridden or driven around the grounds, except for entry and exit. Test driving of any vehicle on the grounds is forbidden. Official vehicles (eg. Parts pickup) are exempted.**
- Generators are not to be used between 10:00pm and 6:00am. They must be 2kVA or smaller and fitted with an adequate silencer.
- Electric leads cannot run across walkways or roadways. Power is not supplied to all sites.
- Re-booking of sites must be completed by the original site holder only. Existing site holders are guaranteed their sites until 28 February 2019. After that time, they will be available to others.
- When leaving, sites must be left in a tidy condition or a further booking will be cancelled.

Security - 0499 974 711

A security firm and police will be employed to patrol the grounds for the duration of the Swap.

Catering

All catering rights are reserved by the DDVVMC. Food or drink items **MUST NOT** be sold from swap sites. Site holders who break this rule will be evicted and a rebooking of sites denied. Food stalls are spread throughout the grounds, and provide hot & cold food and drinks, including breakfast on Saturday & Sunday. Bars will be operated by the Show Society. A food stall will operate on Friday evening for site holders who arrive early.

Camping

Site holders who wish to camp on their sites can do so free of charge provided their site has been pre-booked and will be used for selling items. Site holders who use their site for camping only will not be allowed to rebook that site/s. There are a number of toilet/shower blocks on the grounds.

People who wish to camp only should book with the Show Society, ph: 07 4634 7400

For links to a comprehensive listing for local alternatives, please consult the swap website.

Vehicle Display – Saturday only

Non-site holder enthusiasts are welcome to display their special vehicle at the Toowoomba Swap. Entry is via Glenvale Road and parking is around the track and on the north west embankment of the Main Arena. Vehicles must be over thirty years old, registered (must be driven in on the day) and can be for sale. All occupants must pay for general admission.

Public liability insurance

DDVVMC's public liability insurance does not provide cover to swap site holders and DDVVMC accepts no liability for acts of negligence on a site holders swap site. It is the responsibility of swap site holders to arrange their own public liability insurance cover.
